INNOVATION AND ENTREPRENEURSHIP FOR REGIONAL DEVELOPMENT

The article in question deals with a topic of outstanding relevance and addresses it in a pertinent way. The methodology is well done, the results are described in detail, and in an organized way. It is suggested that the conclusion be detached from the discussions, in order to make a clearer division, with the details of the conclusions reached by this investigation. It should also be noted that the items "et al." They are not italicized.

That said, the article is of quality for approval and publication, after the necessary changes.
